552/1050-24-1

Components:

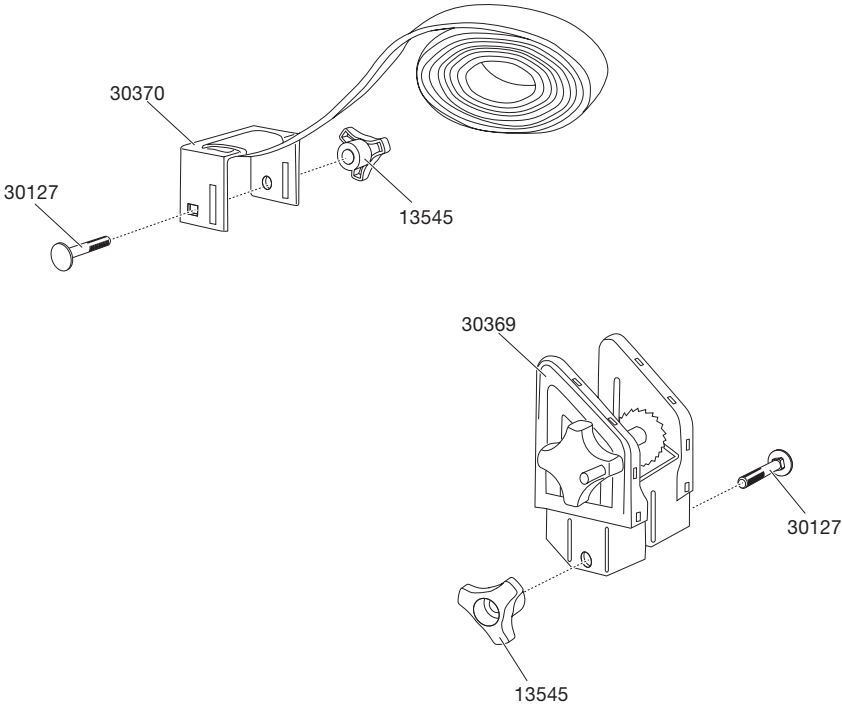

2 ratchet load stops complete with straps and assembly kit.

Materials:

Holders in yellow-chromed galvanized steel plate with plastic coating. Knobs and end covers in plastic. Fastenings in yellow-chromed, zinc-plated steel. Straps in blue polyester, L = 2 m.

Function:

For rapid and secure fastening of different types of load. The holders and fastenings should be secured to the load carrier, and the load then positioned under the straps and secured with the ratchets. The straps are unfastened by releasing the crank stop.

- Convenient ratchets incorporating load stops at one end
- Can be supplemented with cable lock article no: 538.
- Automatic crank stop
- TÜV/GS approved.
