# Thule Spring

### Meet the world with your child

Things to see, things to do – and so much to experience! Every day with your child has its adventures and challenges. Meet them with Thule Spring, the flexible, fun and functional stroller that makes your daily life easier.

Thule Spring is a lightweight, compact stroller that lets you discover the world with your child. It is made for motion, for all the times you get in or out of the door, navigate narrow urban streets, shop for groceries or meet up with friends. Let your child ride or walk beside you for a while, as you make the most of your day together. With step-in footrest and a reclining seat, Thule Spring adapts to your child's needs from morning to nightfall. Meet the world together – and make it yours.

### Thule Spring lets you express yourself

Functional, flexible and colorful, Thule Spring lets you express yourself. Make it yours with a choice of two different frames and six different colors, all with refined fabrics that provide both durability and a sophisticated look. And when you want to expand the functionality of your stroller, you can choose from a wide selection of practical accessories that make Thule Spring meet all your needs.

### Designed for everyday urban activities

Put a smile on your face with Thule Spring! It is a great ride for your child and a practical companion for your urban adventures. It is quick and simple to fold with one hand when carrying a child, and the adjustable sliding handlebar gives parents a perfect fit. Self-standing with a compact footprint, Thule Spring is easy to bring anywhere.

### A safe choice, now and tomorrow

We have tested Thule Spring to the extremes – because that is what we do. Thule Spring meets the highest safety standards, to make sure it will keep going strong for years to come.

# Thule Urban Glide 2

### For all-terrain strolling

Thule Urban Glide 2 has a modern and lightweight design, making it perfect for an active family that enjoys the great outdoors as well as getting around town. The design includes large 16" wheels, suspension for comfort and control, and a swivel front wheel for strolling and maneuvering around town that quickly and easily locks in place for jogging or rougher terrain.

Your child will be comfortable for on-the-go naps with the help of a vented reclining seat and a large sun canopy that protects from the elements. The enclosed storage compartment also lets you safely and securely take gear with you to make the most of your day.

## Multisport Trailers

### Thule Chariot

Thule Chariot is a truly versatile 4-in-1 carrier that lets you stay active and bring your kids along all year long – strolling, biking, jogging, or cross-country skiing.

#### Comfort for child and parent

Your child will love Thule Chariot, with its padded seats and suspension. Temperature and shade are easily controlled in the Climate Control Cockpit, just like protection from wind, rain, snow, or bugs. For parents, Thule Chariot is easy and intuitive to use, with plenty of storage space, an adjustable handlebar and a generous kick stride. It comes with a simple, compact fold, making it easy to bring along and to store.

#### Accessories for child comfort

A smooth, stable, and enjoyable ride gets even better with the right accessories. A footmuff adds warmth on cold days – and extra padding makes your child even more comfortable.

#### Safety and sustainability

You can rest assured that our multisport trailers meet the most stringent safety standards, with features such as built-in roll cage and 5-point safety harness. A red back light is always included. The main fabrics used are bluesign® and OEKO-TEX® approved. Thule Chariot multisport trailers are easy to service and maintain, with parts that can be replaced, to make sure that your carrier will truly last a lifetime.

## 4 Activities. 4 Seasons. 1 Carrier.

Multisport Trailers  
**Thule Chariot**

**Climate Control Cockpit**

Easily adjustable ventilation vents optimize air flow and climate control and removable clips increase ventilation when used with rain cover.

**Compact fold**

Thule Chariot is easy to fold and comes with an automatic fold lock for convenient storage and transport.

**Suspension**

The suspension makes for a smooth ride, providing optimal comfort for both parent and child.

## Child Bike Seats

### Thule Yepp Nexxt Maxi

Lightweight and safe rear-mounted child bike seat with a contemporary design, providing premium comfort for your child.

#### Easy to install

There are two quick and easy ways to mount and dismount Thule Yepp Nexxt Maxi on your bike. Either use the innovative universal mounting system for bikes with standard rear bike racks\*, or the new frame mount system that makes it easy to change the seat between bikes.

\*The rear bike rack must be approved for 25 kg load

#### Easy to use

Every aspect of getting your child in and out of the seat has been carefully thought through. To make it convenient and quick to start biking, Thule Yepp Nexxt Maxi has been equipped with an innovative 5-point harness and a smart magnetic childproof safety buckle.

#### Contemporary design to the highest standards

Thule Yepp Nexxt Maxi has been developed with a light-weight yet strong concept similar to bike helmets. To ensure your child's safety, the seat has been rigorously tested in the Thule Test Center as well as in real-world conditions. It meets the most stringent international safety standards.
